NEEDS MORE PIPE LINES. Oklahorna Bids for Them With Right

of Eminent Domain. Guthrie, Ok - The inclusion in the Thomas bill regulating the exercise Listed for Sale With the Incompanies incorporated under the Oklahoma laws the same rights

in that respect which are now on joyed by ratiroads, is expected to give a great impetus to pipe line development in the new state. The section was included at the suggeston of Governor Haskell, who is very anxious to see more pipe lines built in order that the producers may have a better market for their oil.

The attitude of the administration is, however, that all pipe line comsanies which take advantage of this rustsion must incorporate under the laws of Oklahoma, and subject them-selves to the control of the state. foreign corporations will be allow-

ed any special privileges.
All of the producers agree that there is a crying need for additional pipe line facilities. Over 20,000,000 barrels of oil in stock was the report from the Talsa oil field for the month of April. Over half is credited to the Prairie company. Of the private producers, the associated producers have about 1,300,000 barrels of oil The runs from the Glenn pool averaged approximately barrels a day as compared with 52,

the runs averaged 20,000 barrels. There are now only four pipe line empanies which transport crude oil rom the Oklahoma field, with a com bined capacity of 100,000 harrels per in addition to this, thousands of barrels of all are of course shiped daily by rail.

The Prairie Oil & Gas Company owns and operates two pipe lines, whichhave a capacity of 70,000 barrels and outil recently have been he only transportation of this character, in the field. The proposed line to Caney, which has been held up temporarily at least by the state's position, would have increased the

carrying capacity 24,000 barrels The Texas company and the Gulf company each have an eight-inch pipe line from the Glen pool to the Gulf Their combined capacity 30,000 barrols. The Gulf pipe line ts 454 miles long and has its South-ern terminus at Port Arthur. The investment in this pipe line, pumping so,ooo barrels. stations, steel tanks and accessories is estimated at \$7,000,000. The lexas company has a pipe line run ning from Lofebre station at Tulsa to the Gulf, a distance of 560 miles. The estimated investment in this pipe ine is \$6,000,000

DROVE OUT THE OPERATOR.

Savanna, Ok., Hau Itself to Blame for Depot Removal.

Guthrie, Ok.-The visit of Corpora ion Commissioner Watson to take estimony upon a complaint of the cit sons asking that a depot he estabtshed there, recalls an interesting story of the railroad telegraphers strike on the "Katy" about three VATE: RED.

Savanua was a regular stopping lace on the main line of the "Katy" revious to that time and was blessed with a next little depot and three or passenger trains a day. the telegraphers' strike occurred the operator at Savunna walked out with he rest and the company sent a omunion man to take his place
